How many initial shirts are you thinking of ordering? I'll try to get competitive prices to compare to your guy.

Oh yea I think that'll go well and pretty fast. That's just to get some printed for online order pics and have some available to sell locally at republican headquarters in town. I really can't guess on numbers online across state though once we publicize .... I'm thinking a thousand will go quick cause they're expecting 30-40,000 at capital lobby day on January 20
